

Jim: A few ideas that you might want to sell at today's meeting

1. With WNYU close to getting an FM channel then ever before its time to adopt a more professional attitude - mention WOR offer of jobs to Dave and yourself to impress them with possibilities of summer work at station if they take a deeper interest and learn the business
  - a. closer break timing
  - b. no dead air
  - c. smoother operation
  - d. CLEAN STATION
  - e. More interest in station by talent - as opposed to individuals putting in just an hour.
2. Appoint Remote Engineer to order lines, act as liaison between Station and Talent and sports staff
3. Appoint file clerk to keep files, file logs, file applications
4. Pitch for Radio Course at Heights
5. IBS WNYU Plans
6. Proposal and pitch to Kents for FM

Adopt a professional attitude  
Remote engineer
